Trajectory in 4 semesters

Ilike Geladi

Sep.	general courses at starting EU HEI
Oct.	
Nov.	
Dec.	TROPIMUNDO Conference
Jan.	exams

S1

Feb.	courses at non-EU HEI (tropical mobility)
Mar.	
Apr.	
May	
Jun.	
Jul.	exams

S2

Aug.	(exam resit)
Sep.	specialised courses at second EU HEI (European mobility)
Oct.	
Nov.	
Dec.	
Jan.	exams

S3

Feb.-May	thesis at starting EU HEI
Jun.-Jul.	defence
Aug.	(exam resit)

S4

Learning outcomes

		BIOLOGICAL LEVEL OF THE SCIENTIFIC COURSE LEARNING OUTCOMES					OTHER LEARNING OUTCOMES
		Organism	Population	Community	Ecosystem	Global	
ECOSYSTEM ELEMENT FOCUSED ON	Plant						<ul style="list-style-type: none"> • Knowledge of and insight into the study field • Research skills (incl. project writing and funding seeking) • Enhanced sense of initiative, critical analysis and judgement • Presentation skills • Improved assertiveness • Improved ability to teach • Enhanced confidence, independence and creativity • Enhanced capabilities in devising original solutions to real world problems and obstacles in education and research <i>sensu lato</i> • Enhanced ethical and social understanding through socio-cultural experience in 3 EU and 5 non-EU countries • Enhanced entrepreneurship • Improved communication in European languages • Networking through national and international institutions in 5 European cities (among which two major capitals)
	Animal						
	Human						
	Environment						
	Interactions						
	Methods & tools						
<p>Courses: ULB-VUB SU-MNHN UNIFI UdG UdA UDSch UNIVANTA UMT HKU UQ</p> <p>basic </p> <p>specialised </p>							

Alumni

Diplomas and Certificates

- Joint Diploma
- TROPIMUNDO Certificate
- Joint Europass Diploma Supplement
- Europass Mobility
- Europass Language Passport
- Europass CV
