EMODnet is about …

Philosophy

Collect data once, use it many times

Objectives

↘ costs

↗ competition and innovation

↘ uncertainty in knowledge of the seas and oceans

Sharing is caring!

EMODnet is involved in side projects

Horizon 2020 project: SOPHIE

Seas, Oceans & Public Health in Europe

Linking oceans and health research

Objectives

- Launch and advance a new scientific discipline: “Oceans & Human Health” (OHH)
- Bridging gap between science – society
- Production ‘research road map’, setting out the future priorities for OHH research
